

Working together to  
welcome a family

---

**It takes a village to  
welcome a family.**

---

We are a voluntary Community Sponsorship group centred in Hassocks and extending to Hurst, Keymer & Ditchling.

We are working to welcome a refugee family to the area and help them settle into our community.

## What is Community Sponsorship?

Community Sponsorship is a UK government scheme in which local community groups come together to enable the resettlement of a refugee family into their area.

## What's involved?

To meet the Home Office's requirements for resettlement, the project needs to:

- raise a minimum £15,000 to cover resettlement costs
- secure good accommodation for a two year lease period
- build a local network to support the project, and then the family, for a two year period

## What do we need?

You can help us in various ways:

- a cash donation will help us reach our goal
- fundraising for, or partnering with, us
- coming along to our events and activities
- spreading the word to friends and neighbours
- volunteering via our supporters network register

Thinking about a donation?  
or to give £10 text: MVIT08 to 70191
